Kasalehlie!

It's hard to believe that our furlough is coming to an end and we are finally returning to our beloved island! We thank you for your many prayers and notes of encouragement as we've traveled to so many different states and churches. Sadly, we were unable to visit all of our supporting churches as it's just not possible in such a limited time. We will be sending a copy of our presentation DVD and some of our new prayer cards to each of the churches we were unable to visit for an update.

Our family will fly out of Charleston, SC on Tuesday, June 10th to return to Pohnpei. We are counting down the days of course, but it is also bittersweet as we once again have to go through the difficulty of goodbyes. Please keep our family in prayer as we make this long trip as well as through the time of readjustment once we are back in Micronesia.

Summer

We have quite a summer ahead of us! In addition to readjusting to island life, we have Vacation Bible School, summer youth camp, and the Micronesians Games this summer so we will literally be hitting the grounds running once the plane lands! We are hoping to hold our VBS the first week of July and youth camp the first week of August. The Micronesian Games are being hosted on our island this summer and we are looking forward to it being a huge outreach opportunity. We are making plans to distribute tracts and literature to the 1500 plus athletes, coaches, trainers, and officials that will be on the island for the Games as well as the thousands of spectators expected. Please pray that this will be an effective outreach for the Lord.

Home on Pohnpei

We are especially thankful for the Boylston family and their ministry on Pohnpei. Without them to oversee the church and Bible Institute, we would have been under a great deal more stress while in the States. God has really used them to keep things running smoothly and we look forward to getting back to work with them and pursue the original goal of Bible translation.

College Students

Continue praying with us for our college students who are attending Ambassador Baptist College. Many of you have helped aid them financially with their school bill this past year and we are truly thankful for this. Both Brandy and Okalani were able to finish out their first year at Ambassador without an outstanding balance. Brandy is working at the college through the summer and Okalani will be staying with Susan's parents in Charleston until school begins and is currently looking for a job there. Please pray the Lord will provide just the right job opportunity for her. If you are interested in assisting these two young people with their college tuition for the upcoming year, donations can be made to their school bill at <https://www.ambassadors.edu/Students/Payments.php>. Their full names are Brandy Hadley and Lillyuokalani Yamada.

Thank you for your continued prayers and financial support. We are truly thankful for those of you that have partnered in the ministry in Pohnpei.

Because of Calvary,
Rickson & Susan, Kaleo, Kestra, Kyler, Katrianne, & Kaylinn
